## Summer Camp Starts June 5th!

Our 25th Annual Summer Camp is shaping up to be one of our best ever and it's just around the corner. In addition to the gymnastics fun we have in store every year, all summer long, we are looking forward to having some exciting special events and surprises.

Each week our age-specific crafts and activities are geared around a new and exciting theme. Campers and coaches will participate in a costume contests, games, plenty of gymnastics, and a movie every Friday after lunch projected onto our big screen.

Some of our fun activities this year include weekly

themed games and competitions, music & dance time, arts & crafts, and much more.

The summer promises to be jam-packed with fun at Olympica's Gymnastics Summer Camp. We have plenty of discounts to go around, too, including full-week rates, half-day rates, and sibling rates. Fun and flexibility is the name of the game this summer and OGA is the place to find both!

# OGA Competative Teams Win Big at Regionals

Olympica Gymnastics took on Regional's last month with some of the best competitors from California, Utah, Nevada, and Arizona.

Kayli Tran and Regan McMahon were among our five level 8-10 gymnasts who brought home bronze on bars and beam, respectively, in Visalia earlier in April. Tran also finished 5<sup>th</sup> place overall with a

score of 36.300. This secured her a spot at the Western Championships in Boise, Idaho at the end of April where she competed against the top Level 9 gymnasts from 25 states and held her own with a great floor routine!

Our Level 7 team which included Sarah Quan, Natalie Bray, Kayla Grier, Zita

Canot, and Alex Tornberg, brought home eleven top three finishes. All Athletes on the Level 7 team achieved an all-around score of 37 or higher to finish out a successful season at the USA Gymnastics' Region 1 Championships in Pomona April 21-23<sup>rd</sup>.

Olympica's Level 7 Spring Team was also represented by Danicka Bryner and Madelyn Hidde at Regionals on April 21-23<sup>rd</sup>. Danicka Bryner walked away with 1<sup>st</sup> place on Floor, 10<sup>th</sup> place on Beam and 7<sup>th</sup> all-around. Madelyn Hidde also did a great job with 6<sup>th</sup> place on beam. This was a great season for all of our Olympica competitive teams.
